# STUDENTS TESTIMONIALS

**Zack Rodriguez, Texas** Nico and Elena are great teachers. They both have studied how to teach Italian and it really shows in their lessons and approaches. They are also very kind and fun to be around. They adapted my lessons to my own goals and pushed me to improve without being too tough. I highly recommend them and their school. Pavia is also a very nice city, really more like a large town. The people are very welcoming and willing to help you out with day to day Italian transactions. If you are looking for a very personalized, tranquil setting to study your Italian, I encourage you to attend this school.

**Jarl Spadow, Norway** Taking private Italian lessons with Nicoletta and Elena is great fun. They are both very enthusiastic and very professional. I very much enjoy the training and will highly recommend L'Altra Lingua to anyone wanting to learn Italian

**Dick Adam, Usa** Sono andato circa sei volte in Italia per studiare italiano, alle altre scuole in altre città'. L'Altra Lingua è il meglio, secondo me! Io non sono un bravo studente, ma Nicoletta e Elena sono bravissime insegnanti! Sanno come insegnare ogni studente conformemente all'abilità ed esigenza. Raccomando molto L'Altra Lingua.

**Joanne Sidwell** Nicoletta and Elena are effective teachers who have developed a truly practical approach for foreigners learning Italian. The lessons include useful situations and vocabulary. The conversation - on-going and always in Italian - is so helpful in overcoming inhibitions about speaking. As other reviewers have said, the teachers are experienced and patient. I highly recommend L'Altra Lingua to anyone wishing to learn or improve their Italian.

**Natalie Stafford, United States** Un bel periodo in una scuola meravigliosa! Le insegnanti erano bravissima e molto pazienti. Abbiamo studiato la grammatica, ed era molto utile, ma mi è piaciuta la conversazione. Studio italiano perché alla fine voglio parlare la lingua. L'Altra Lingua mi ha aiutato con quella meta.

**Edward (Taiwan)** Nicoletta and Elena are two professional Italian teachers with plentiful experiences and patience. The school provides a great atmosphere for learning a new language. Definitely recommended :)

**Vi aspettiamo!**
