

## Culture

### Bussana Vecchia

Bussana vecchia's story is a mix of a very sad news story and hope. Destroyed by an earthquake more than a century ago, this town is now populated just by artists from all over the world.

### Sanremo

This excursion is opened to students from every course. You will know more about the old town, the harbor, the S. Siro cathedral, and much more.

### Triora

Witches and persecution between truth and tradition. This is gonna be Triora's story, a very small village famous for its trial in the middle age again women considered witches.

## Why is our school different than other schools in Italy?

We proudly spread the new communicative's way of teaching languages. This teaching method, used for years in the FDA centers across the world, combined with the experience and knowledge of our teachers, you will find the results you are looking for.

From 2014 The Italian language school in Sanremo FDA is officially a branch of the university of Siena for the CILS exam. The CILS Exam (Certificazione di Italiano come Lingua Straniera, Certification of Italian as a Foreign Language) is an examination to prove competence in the Italian language.
