## ***“Florence brings out the best in you”***

People love Europass because here they can escape their day-to-day life, meet new people and - thanks to the Italian language - experience the Florence locals know, its quirks and its hidden gems.

Here people can let themselves go, broaden their horizons and often come home changed. Florence is a city of great traditions, passionate people and amazing food...**A place that can only be discovered slowly.**

*“I had a wonderful experience  
and hope to come back”  
(Jenny, 18)*

## *Italian language, without worries!*

We like to speak in Italian with our students from the very beginning; from experience we know it works, and helps to learn quickly. Everyone is involved and

sooner or later can have a go without worrying about making a mistake. During the lessons we often organize games, film clubs and conversation spaces to improve language skills.

## Our Certificates

At the end of the study period we issue a certificate, which reflects the language level reached (A1, A2, B1, B2, C1, C2) according to the **European Common Framework reference**.

As we are a certified agency, our certificates are recognized by companies, educational institutions, university and so on.
