MILAZZO

is one of the most important and ancient towns in Sicily. Located at the base of a long narrow peninsula, it stretches out towards the enchanting Aeolian Islands.

THE SCHOOL

is located in the center of Milazzo, a short distance from the Old Town, the port, the beach, fish markets, shopping areas, restaurants, cafés and pubs.

THE TEACHERS

are university graduates, specialized in teaching Italian to foreigners. They also participate in extra activities organized by the school.

THE LESSONS

are based on modern teaching techniques for language acquisition in compliance with the linguistic policy of the Council of Europe. In addition to ordinary classes, Laboling offers seminars on art, history, cinema, music, traditions and cooking.

TEACHING MATERIALS

are various and carefully selected. Besides using the most updated books, our teachers use authentic materials to introduce the learner to contemporary Italian language and culture.

SERVICES

Our staff will assist each student in all their needs during their stay in Sicily. Among other facilities, Laboling offers free internet access (computers and wi-fi) and a small library with books and dvd's.

ACCOMMODATION

is carefully selected. Comfortable and with all modern conveniences, the apartments are located in quiet areas close to the school.

EXCURSIONS

The average temperature is about 13 degrees in winter, 20 in spring, 27 in summer, 21 in autumn. Our mild climate allows you interesting and exciting excursions all year round. Laboling will take you to visit and discover cities of art, archaeological sites, volcanoes, little islands, the most famous tourist sites and small towns where ancient traditions still survive.

SCHOLARSHIPS

are offered by Laboling in cooperation with the main international institutions such as Istituti Italiani di Cultura and university departments of Italian in Europe and in the world.

CILS CERTIFICATE

In cooperation with Centro CILS – Università per Stranieri – Siena, in our school you can take CILS examinations (Test of Italian as a foreign language). CILS is valid for work permit, university admission, teaching of Italian.

TEACHER TRAINING AND DITALS CERTIFICATE

In cooperation with Centro DITALS – Università per Stranieri – Siena, Laboling offers a teacher training programme including seminars, distance learning, class observation. In our school you can take DITALS examination (Certificate for teachers of Italian as a foreign language).
